Our ISOTONER® soles offer a variety of benefits, all designed for durability, comfort and support.

The **DRIVING SOLE** gives extra heel support which adds versatility and longevity whilst maintaining flexibility and comfort

The **FLAT SOLE** shape mirrors the natural silhouette of your foot with a slightly elevated heel

The **ERGO SOLE** shape mirrors the natural silhouette of your foot with a slightly elevated heel for added support and comfort where it's needed most

The **EVERYWEAR™** sole is lighter than traditional slippers and provides a super comfortable flexible slipper with a toughness that never wears out.
